Summer Preschool and School Age Day Camp:

BCD's Summer Day Camp is a full day program (Monday – Friday, 8:00-4:00). It is carefully designed to blend fun summer activities with rich learning experiences that promote active participation for students ages 3 to 13. Examples of summer learning experiences include arts and crafts, music, science, physical fitness, cooking, dramatic play, field trips, and games.

Our Summer Day Camp is divided into two different programs. Our Preschool Day Camp is for students ages 3 - 6; and our School Age Day Camp is for students ages 6 - 13. The different groups are welcomed into age-appropriate, inviting classrooms and outdoor spaces that are designed to enhance social, emotional, intellectual, and physical growth.

Preschool Day Camp - for students ages 3 – 6:

Our Summer Preschool Day Camp is for students ages 3 - 6 who have not yet started kindergarten. Daily activities are designed around weekly themes and each theme is enhanced with a wide variety of activities that bring learning to life. (Note – Preschool age children must be toilet trained prior to starting BCD's Preschool Day Camp.)

School Age Day Camp – for students ages 6 – 13:

Our Summer School Age Program is for students ages 6 - 13 (students who are 6 must have already completed kindergarten). This program is designed for older students and features weekly themes and coordinated activities that are exciting and fun.

Examples of possible summer themes include:

- Amazing animals
- Under the sea
- Step into storybooks
- Lost in space
- Cuisine a' la art
- Pirate adventures
